Saw Mill Property for Sale.

We will sail our saw mill located it Hartford, Ky., on the most reasonable terms. The property is comparatively new, having run only a little over five years, and is in perfect repair. The facilities for securing timber are unantbe cherished by hosts of friends, and passed and the home demand is good and hiereasing. We also have a onehaif luterest in a portable saw mill which will be sold very cheap. It is a twenty-tive horse-power and has never

made but one set. Om only reason for wishing to sell is the crippled condition of one partner and continued iil health of the other.
